May 2007

Hunter Panels polyisocyanurate product line is suitable for use with some of our industry's finest manufacturers. Below are many of the manufacturers who accept Hunter's H-Shield roof panel as a substrate to their roof coverings:

Built Up Roofing/Modified:

Garland	Polyglass
Hickman	Siplast
IKO Manufacturing	Soprema
Koppers	Tamko
Performance Roof Systems	Tremco

Single-Ply Roof Coverings:

BondCote	Mule-Hide
Carlisle Syntec	Sika Sarnafil
Duro-Last	Stevens Roofing Systems
FiberTite	Versico
IB Systems	
Mule-Hide	
MartinFireproofing	

Thank you for your consideration of Hunter Panels. If you should require technical assistance, feel free to call me directly at 888-746-1114.

Sincerely,
Jim Whitton
